

EUREF Symposium 2025

Covilhã, Portugal

June, 24th-26th

The EUREF Symposium 2025 will take place in Covilhã, Portugal, from June 24th to 26th, 2025. The event will be hosted by UBI (Universidade da Beira Interior) and its scientific group SEGAL (Space & Earth Geodetic Analysis Laboratory), with the support of the DGT (Direção Geral do Território) and IDL (Instituto Dom Luiz).

The symposium is divided into two parts:

- **AC & Repro3 Workshop** – June 24th, 2025: A focused workshop on Analysis Centers (AC) and the Repro3 campaign, providing an opportunity for technical discussions and experience sharing.
- **Symposium** – June 25th–26th, 2025: Scientific sessions covering key topics in European Geodesy and Reference Frame related issues.

Venue

The symposium will be held at the Universidade da Beira Interior (UBI) in Covilhã, a historic city located at the foothills of the Serra da Estrela mountains, the highest mountain range in mainland Portugal. Covilhã is known for its rich cultural heritage and natural beauty, offering a range of outdoor and cultural activities.
